

Little Big Town

GRAMMY, ACM, CMA, AMA and Emmy Award-winning group, Little Big Town – consisting of members Karen Fairchild, Phillip Sweet, Kimberly Schlapman, and Jimi Westbrook – first entered the music scene over 20 years ago with hit songs “Boondocks,” “Bring It On Home,” “Good As Gone” and the GRAMMY-nominated “Little White Church.” The band’s breakthrough albums *Tornado* and *Pain Killer* produced multiple #1 singles, including “Pontoon,” “Tornado,” and “Day Drinking,” as well as the history-making, best-selling country single of the year (2015) “Girl Crush.” 2017’s *The Breaker* debuted at #1 on the Billboard Country Charts and Top 10 (No. 4) on the Billboard 200 to critical acclaim. The album features their GRAMMY-winning, multi-week #1 single, “Better Man,” as well as the 2019 GRAMMY-nominated, “When Someone Stops Loving You.” The band’s self-produced ninth studio album *Nightfall* was released January 2020 and hit the top of the Billboard Country Charts. The record included critically-acclaimed and GRAMMY-nominated “The Daughters,” “Over Drinking” and “Wine, Beer, Whiskey” - the latter of which has reached almost 445 million global streams. In April 2022, they released their new single “Hell Yeah,” which has amassed almost 125 million global streams to date. Little Big Town has earned more than 45 award show nominations and has taken home nearly 20 awards, including multiple GRAMMY, AMA, People’s Choice, CMA and ACM Awards, in addition to an Emmy award. Their highly anticipated 10th studio album *Mr. Sun* was released in September of last year and debuted as the Top Country Album by a group in 2022.
